Leaping Danes Here April 21

A team of 28 Danish gymnasts will make its Canadian debut in Victoria April 21 following a seven-month, laurel-strewn tour of the United States in which it played to crowds as large as 18,000 persons.

The team makes its Victoria appearance under the sponsorship of the local branch of the Canadian Association for Health, Physical Education and Recreation with the co-operation of the Danish Canadian Association.

Director of the team is Poul Clausen, whose object is to show to Canadian and American audiences the ultimate in gymnastic ability developed in Danish high schools and voluntary athletic organizations.

During their United States tour they made a half hour appearance over a national television network and rated a three-page spread in an international news magazine.

Gasoline Prices Edge Ahead After Tax Boost

Gasoline prices are edging up along with other commodities in the wake of the announced one-cent increase in federal sales tax.

Both Imperial Oil Ltd. and British-American Oil Company announced yesterday prices of all grades of gasoline are boosted .2 cents and diesel fuel by .1 per cent.

The increase is expected to tap motorists this week.

Langford Dry

Early Fire Season

Langford fire season will begin Wednesday, a month earlier than normal, because of dry conditions in the district, Fire Chief Rod Bayles said last night.

The Langford district covers Langford, Glen Lake and Happy Valley—other areas are not affected. The fire season is normally declared May 15.

PROVINCE UNCHANGED

A spokesman for the B.C. forest service said last night no change was likely in the declaration of the fire season.

After Wednesday, fire permits will be required in the Langford area for everything but incinerator burning.

The action follows a small bushfire outbreak in the district yesterday which burnt about ¼ acre of brush.

The fire began when an area was being burned off and flames got out of control.

Medical Building Planned

Seven city doctors have purchased five lots on Yates, east of Cook, for a new medical arts office building.

Dr. Vincent W. Smith, spokesman for the group, said yesterday the property was bought for $26,000 subject to rezoning of the area to permit construction of an office building for the physicians.

The property, which has 120 feet frontage on Yates, is zoned for apartment buildings at present.

Application for rezoning is expected to be dealt with by city council later this month.

Dr. Smith said a one-storey building, with 6,000 to 10,000 square feet of floor space is under consideration.

PTA Activities

Quadra Street Principal To Be Honored Tuesday

A man who has been active in Victoria PTA affairs since 1928, R. N. Grubb, principal of Quadra School, will receive a life membership in the B.C. Parent-Teacher Federation at a meeting in his school at 8 p.m. Tuesday.

Mr. Grubb has been an honorary vice-president of the Quadra PTA since 1945 and program convener for the group for many years.

He came to Victoria in 1907 and started teaching in local schools in 1924. He was made principal of the Quadra School 14 years ago.

Guest speaker at the Quadra PTA meeting will be Dr. E. G. Ebbighausen of the Dominion Astrophysical Observatory, Saanich. His topic will be "Planets and their Satellites."
